

Shirley MacLaine

**Come on people
don't you look that way
I've been waiting
nearly the whole day
I've been preparing
for something good
25-67
so you better knock on wood**

**I'm just trying
to catch a few more rays
so I gotta keep on moving
just like ShirleyMacLaine**

**Some came running
some didn't show up
life's expensive
if you ain't got enough
you don't got my number?
Try to look it up
82-47
there' a nail inside my cup**
